### Notification

The Thromde Education Education would like to inform all the schools under Gelephu Thromde that the admission age criteria for Pre-Primary (PP) classes remain the same as of the academic year 2022. Please note that children who have completed five years of age on 5<sup>th</sup> February 2023 are eligible for admission to Pre-Primary (PP) in the academic year 2023.

However, during admission, if the number of registered applicants exceeds the actual intake capacity, the schools should admit older children and then admit the remaining children upon the availability of seats in the schools.

The admission form will be available in the respective school from 5<sup>th</sup> November to 30<sup>th</sup> November 2022. The new PP admission will be conducted on 10<sup>th</sup> December 2022.

Therefore, Thromde Education would like to request all Principals of schools under Gelephu Thromde to consider admission of the children in class PP as per the age eligibility and vacancy accordingly.
